Executive Summary

Construction Plus Framework: Overview and Strategies for Program Alignment

09/11/2018
Moderator(s): Michelle Lee-Jones
Speaker(s): Consuela Greene, Mary McRae, Lisa Reddy, Kurt von Stetton

This webinar, "Building Your Toolbox: Program Design and WIOA Resource Spotlights," explores some great tools and best practices to strengthen program and participant success. This webinar spotlights a number of resources and best practices related to program planning, program management, and performance outcomes.

During this webinar, Consuela Greene and Mary McRae provided spotlights on key resources to strengthen programming and WIOA alignment with effective program management and program design strategies. Mary and Kurt von Stetten identified continuous quality improvement strategies to ensure quality programming and positive performance outcomes, while Kurt spotlighted effective data management strategies, key reporting requirements and MIS Helpdesk resources. Lastly, Lisa Reddy, shared effective tips for navigating Workforce GPS in order to access the wealth of resources available to support YouthBuild grantees, as well as encouraged all grantees to join the YouthBuild Member Directory in order to connect across the field.
