10/3/2018

Moderator: [Shelia F. Lewis](#)

Speakers: [Kellen Grode](#), [Christina Eckenroth](#)

This event serves as a follow-up to the **Eligible Training Provider Reporting (ETP) – Part I** webinar held on September 17, 2018. This webinar is most useful after first reading Training and Employment Guidance Letter (TEGL) 3-18 and second, after attending or viewing the webinar, Eligible Training Provider Reporting - Part I.

Through discussion, quizzes, and poll questions, ETA staff, Kellen Grode and Christina Eckenroth, respond to ETP-related topics submitted during the Part I webinar. The discussion opens with questions from training providers and then continues to address questions submitted by states—which cover an array of general topics, reporting issues and then ending with specific data collection challenges.

Kellen and Christina also share and discuss solutions to newly drafted ETP Cohort Scenarios.

The webinar concludes by disclosing what's next related to ETP reporting.
