Executive Summary

H-1B Performance Reporting Orientation 3.0

01/15/2020
Moderator: Greg Scheib
Speaker(s): *Kristen Milstead* & *Timmy Dudley*

This Webinar in the Scaling Apprenticeship (SA) Performance Reporting orientation series covers in detail the technical aspects of reporting participant data accurately for the Quarterly Performance Report. Specifically, it provides information on:

- *An overview of SA performance reporting*

- *The format and structure of a data file*

- *How to create a comma-separated values "CSV" data file*

- *The edit check process in WIPS*

- *Resolving the different types of WIPS validation errors in your data file*

- *Tips for successful ongoing case management processes*

- *How the data file you submit is aggregated in WIPS*

- *How to read the QPR and compare it with the targets in your SOW*

In addition, the Webinar provides quarterly progress reporting policy guidance for the quarter ending December 31, 2019 and includes a question and answer period.
