New Guidance: National Dislocated Worker Grants

4/2/2020

Moderator: Amy Ambrose

Speaker(s): Robert Kight, Kim Powell, [Jeff Ryan](#), Lynn Fraga

This webinar provides an overview of the new guidance found in [Training and Employment Guidance Letter \(TEGL\) 12-19](#), National Dislocated Worker Grant Program Guidance. The discussion focuses on highlights and changes in the new TEGL from prior guidance.

Robert Kight, Division Chief at ETA, provides opening remarks and an overview of the DWG program. Kim Powell highlights performance guidance and resources. Jeff Ryan discusses changes, clarifications, and updates to program policies for both Disaster Recovery and Employment Recovery DWG types. And Lynn Fraga, the Grant Officer for the DWG program, provides detailed instructions on how to apply for DWG funding.

The webinar also includes a brief Q+A period; since more questions were asked than the presenters were able to answer, a follow-up session will be scheduled.
